

We are now inviting new membership from any farmers who want to manage their environmental footprint to help protect our waterways.

Our Vision

To engage our Communities to protect and enhance water quality now and for future generations

Our Values

- Sustainable communities across the whole region thriving beside a healthy and diverse ecosystem for the enjoyment of the whole community
- Owning any issues and accepting the responsibility to make changes
- A collaborative approach that provides solutions and celebrates successes
- Diverse habitats and healthy water ecology
- Communities enjoying water for all recreational activities

The Catchment Groups

Waiwera/Kaihiku
Owaka
Tuapeka/Waitahuna
Tokomairiro
Lake Tuakitoto/Lower Clutha

Goals of Catchment Groups

- Improve water quality across all tributaries
- To establish sub catchment groups
- Farmers encouraging farmers
- Share and encourage best practice by all
- Communicate simple messages
- Regulation changes that allow activities that help improve water quality
- Measure and celebrate progress
- Tell our story
- Community recognition of efforts made
